On the website and on mobile app you will see a new menu item.

Whilst you can book in advance, there is no need to do this, and members can book when they arrive.

You will get a confirmation email –

On a mobile, the procedure is the same.

If you cancel, the booking will be cancelled, and the booking will be removed from your account.

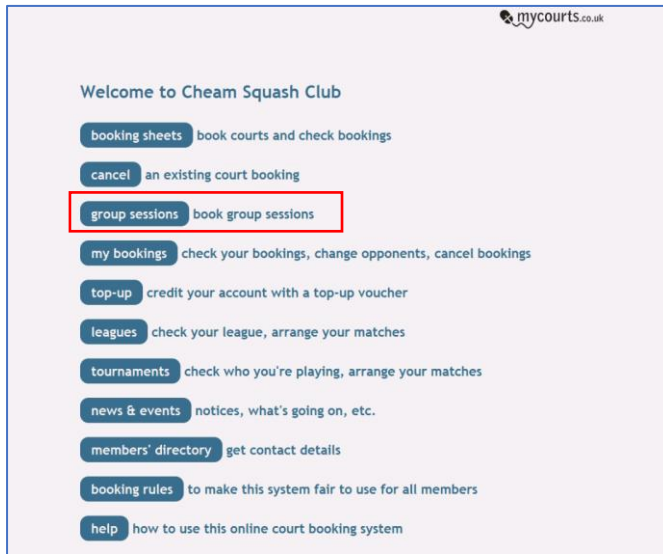

Note: If you book in advance and cancel less than 48 hours before start time you fee will not be automatically refunded. If this happens, please ask for your fee to be refunded.

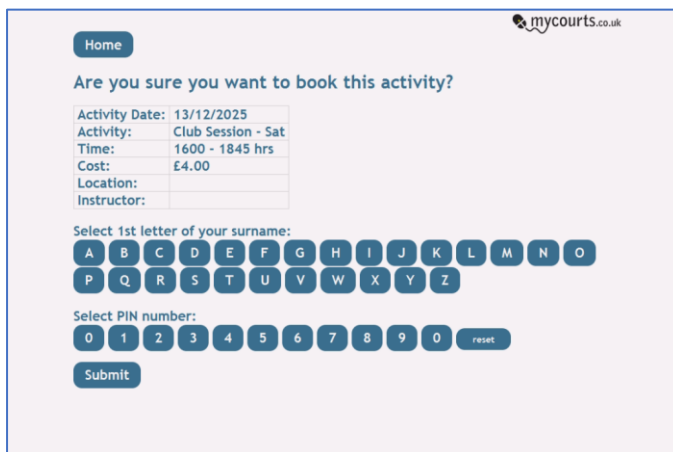

Touchscreen

You can also book on the touchscreen at the club.

See **group sessions** item.

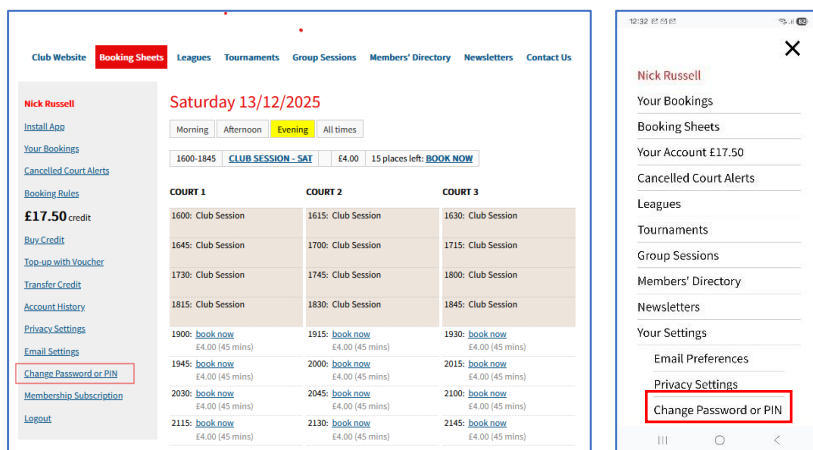

Click on this to make a booking, select date -

You may find it easier to use touchscreen rather than mouse to enter PIN. Using the mouse here is a bit clunky.

You can see your PIN on website and on mobile.

Please contact me if you need any more information for now.
